**A Supporting Member is defined as:** Any individual, business, or enterprise that supports the Ag Adventures mission statement: to increase the profitability and sustainability of local farms and ranches by promoting agricultural-related tourism, marketing, and education.

**Benefits:** Supporting members will be given a listing on the [www.agadventures.org](http://www.agadventures.org) website on the Supporting Member page under the appropriate subcategory. Your listing will include a link to a single page with room for up to 4 photos and 150 words that describe your business. You will be given a user ID and password to maintain your own page (contents subject to Ag Adventures approval). In years when a new map is published, the name of your business with contact information will be published on the Supporting Member panel on the map. You will also have an early bird opportunity to purchase advertising panels when new maps are published.

*Membership year expires annually from date of initial enrollment*
